**Racial Justice Sunday:** this weekend, we are asked to pray for justice for people of all races in the world. This year's Racial Justice Sunday is more important than ever. The effects of the Coronavirus pandemic, the killing of George Floyd, and the powerful message on fraternity and equality by Pope Francis in *Fratelli Tutti* speak of the need to actively oppose racism and pursue racial justice with renewed vigour. The theme is 'A Time to Act'. Racial issues and inequalities were identified nationally and internationally in 2020 generating awareness, emotion and outrage. Action is needed to further the cause of racial justice but what can we do? See <https://www.cbcew.org.uk/home/events/racial-justice-sunday-2021/> for thoughts and suggestions, including this prayer;

*Lord Jesus Christ, in your ministry you were approached by people of many different nations and cultures.*

*You listened to their cry for help, treated them with love and compassion, and brought them healing and wholeness. In our own time may we provide to all those who are suffering the help that they need and the care that they require. May we respond to the invitation of the Holy Spirit to dream of a world made new where the poor are not forgotten but are given the opportunity to live and flourish with good health and equal prospects.*

*We ask this in the name of Jesus the Lord.*

*Amen.*

**Sacred Heart Buildings update:** work is progressing well on the new parish centre, with only a slight delay in the supply of the steel frame. We are keeping a tight reign on the finances and once we take into account the conversion of the current parish centre into the presbytery, we have reduced the shortfall from an October level of £92k to £83k shortfall today. Still plenty of fundraising to do!

We will now need to think about the operation of the new centre, and we will probably be looking for people to volunteer to do on-line training to get a Food and Hygiene Certificate qualification and for people who will do the training to allow us to sell alcohol under licence. Keep an eye out for more details and step forward to volunteer if you can.

**World Day of the Sick** The celebration of the World Day of the Sick takes place on 11th February 2021, the memorial of Our Lady of Lourdes and this is an opportunity to devote special attention to the sick and to those who provide them with assistance and care both in healthcare institutions and within families and communities. We think in particular of those who have suffered, and continue to suffer, the effects of the worldwide Coronavirus pandemic. A full text of the message of Pope Francis for the World Day of the Sick can be found here

**Sand:** the roofers who worked at St Augustine's have left behind a large builder's bag of sand. If anyone would like to take it (anyone know a local builder) then get in touch with the parish office.

**The Year of the Word Continues...** Due to the pandemic the Bishops of England and Wales decided to extend the God who speaks initiative throughout 2021. Regular resources are uploaded to [www.godwhospeaks.uk](http://www.godwhospeaks.uk)

#### Quote from Pope Francis's Letter *Fratelli Tutti*

##### On fraternity and social friendship

##### Dark Clouds over a closed World

The Illusion of Communication. Digital connectivity is not enough to build bridges. It is not capable of uniting humanity... Social aggression has found unparalleled room for expansion through computers and mobile devices...As silence and careful listening disappear, replaced by a frenzy of texting, this basic structure of sage human communication is at risk. [Sections 42-50]

#### **Please pray for:**

- The repose of the soul of Mary Bates, Olive Lynch and Lee Greenwood whose funerals take place this week.
- The repose of the soul of James McEwan RIP who died last week. The funeral service is at Our Lady & St Edward's on Wednesday 10th February at 1.00pm followed by burial at 2.30pm at Carlton Cemetery. Our prayers and condolences go to the family.
- The repose of the soul of Deacon Pete Brogan from Lincoln who died suddenly this past week.

If you would to receive one of these little books, please contact the Parish Office

**Had your jab yet?** The Covid19 vaccination programme is well under way and different 'at risk' groups are being called by letter to book their initial jab. The Black, Asian and Minority Ethnic members of our community are especially at risk so please do go for your vaccination to protect your family and friends – you will be in good company as Canon Joe, Father Marcus and Pope Francis have had theirs – don't delay!! Some people on social media are suggesting that the virus is a hoax, no vaccination is needed, the vaccines have been made using research on aborted babies ..... the position of the Catholic Church is clear; to receive the vaccine is a moral duty and to refuse to get vaccinated when given the opportunity will cause harm to vulnerable members of our community. Bishop John Sherrington explained the Church's position; <https://www.cbcew.org.uk/home/our-work/health-social-care/the-catholic-position-on-vaccination/>

Over 70's can now have their vaccination. To book in:

**Spare lap-top lying around?** Sacred Heart School is still waiting for the promised support from the Government so that families can access lessons from home during the lockdown. Some families are really struggling because several children need to access lessons, but parents might just have only one device or phone they can use. If you happen to have an old laptop or device lying around at home, please consider offering it to the school – they will need to check how old it is and have it wiped before use, but you could be helping out a family who are really struggling. Get in touch with Mrs Taylor at school directly.
